Digital & Sustainable

About Monumate

Monumate is an digital ticketing app for monuments and tourist places not only it is digital but it also helps in sustainability of the environment by saving the user of paper in ticket form.

TECH STACK

WIREFRAME

Login Page

User can login if already signed up if not then they have an option to sign up.

Login as tourist

If you logged in as tourist then the list of monuments will appear and you can book the ticket.

Splash Screen

This is the first screen of the application which has the app logo and name.

Login as gaurd

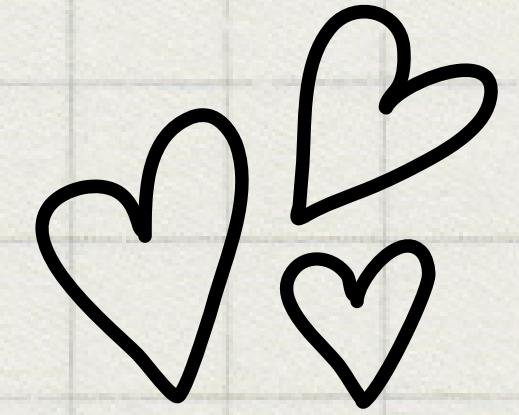

If you log in as guard then the barcode scanner will be open and the guard is ready to scan the code and get tourist detail.

Ticket Confirm

If the guard successfully scans the qr code of the tourist then guard can see his/her details and let him/her go.

DASHBOARD

"Helps the admin i.e government to track the sales and crowd of a particular day in charts."

USP → Unique Selling Part

Thank You
